

It's Christmas Thai-m!

The Lert Sa Wat Christmas Catalogue 2023

Giving Thai children a chance to escape poverty

Lert Sa Wat Child Development Project (Charity Number 1085099) has provided education, food and medical help for children from poor families in the North East of Thailand for over 23 years. Education is the main way of escaping poverty and ensuring that children do not face a life of drug and alcohol abuse or prostitution. With the provision of the Lert Sa Wat Nursery, parents have found an alternative to abandoning their young children while they try to find work. LSW sponsorship supports the children's education from nursery through school and higher education.

Your gifts this year will give a chance to the most vulnerable

LS1

Protect us from nasty biting things £30

Fans keep the Lert Sa Wat Nursery as cool as possible, but mosquitos and other insects bite the children when windows are opened.

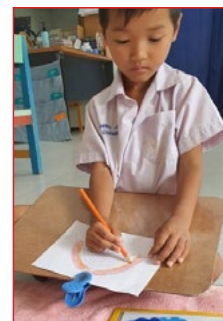

£30 will contribute towards mosquito screens for the windows and reduce risk of infection from bites

LS2

Sponsor me for a month £20

Children need to buy school uniforms, PE kit, Scouts uniforms, shoes and books. Some local schools have fees. Lunches and transport to school need to be paid for.

£20 will provide sponsorship for one child to attend School, College or University for a month

LS3

Tide us over when we are struggling £12

LSW staff make sure that particularly needy families are supported with food parcels containing rice, noodles, eggs, tinned fish, cooking oil, fish sauce, long life milk and a treat.

£12 will help some of the poorest children and young people

LS4

Feed us so we can learn £6

Some of the children arrive at the Nursery malnourished. Drinking milk and eating fruit every day both help their physical development and puts them in a better place to learn.

£6 will provide milk and fruit for the Nursery Children for a day

Boost your donation by 25p of Gift Aid for every £1 you donate.

I confirm I am a UK taxpayer and would like Lert Sa Wat to claim back the tax on all donations I have made in the last four years and on all future donations. I understand that if I pay less Income Tax and/ or Capital Gains Tax than the amount of Gift Aid claimed on all my donations in that tax year, it is my responsibility to pay any difference.
